## Brightening Cream

### LET YOUR SKIN RADIATE A BRIGHT, YOUTHFUL GLOW!

Spotchy, dry and sallow skin can make you look years older than you really are.

Your skin color doesn't have to appear dull and uneven. Applying SISEL Brightening Cream twice daily will let your luminous and radiant beauty shine forth!

Exfoliating your skin can remove old skin with its uneven color tones. SISEL has found a gentle, yet effective exfoliating compound derived from the larch tree. This compound, galactoarabinan, exfoliates without irritating and at the same time, offers moisturizing benefits that help firm and tighten the appearance of the skin.

Thirsty skin will soak in the luxurious richness of a number of hydrating oils: jojoba, shea butter, macademia nut, kukui nut and squalane (a compound found in olives). Another moisturizing blend contains wheat amino acids, panthenol (a form of vitamin B<sub>5</sub>) along with sodium hyaluronate and comfrey extract. A fatty alcohol and a babassu emollient also condition and enrich your skin.

When your face is exfoliated, moisturized and conditioned properly, it simply glows with good health. SISEL Brightening Cream positively shimmers with wondrous ingredients that will magnify your inner radiance!

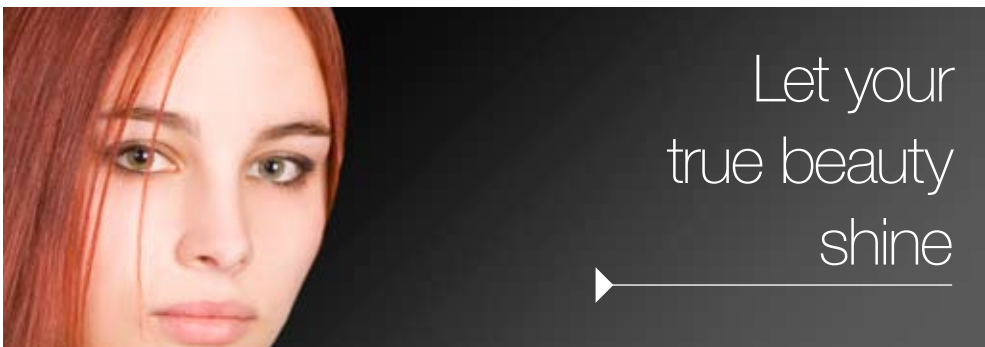

**INGREDIENTS:** Aqua, Simmondsia Chinensis (Jojoba) Seed Oil, Squalane, Cetyl Babassuate, Glyceryl Stearate, Butylene Glycol, Galactoarabinan, Butyrospermum Parkii (Shea Butter), Titanium Dioxide, D-Gamma Tocopherol, Aleurites Moluccana Seed Oil, Cetearyl Alcohol, Sodium Stearoyl Lactylate, Tetrahexyldecyl Ascorbate, Xanthan Gum, Brassica Campestris/Aleurites Fordii Oil Copolymer, Benzyl PCA, Phenoxyethanol, Silica, Sodium Polyacrylate, Sodium Carbonate, Methyl Dihydroxybenzoate, Hydrolyzed Glycosaminoglycans, C18-C21 Alkane, Stearyl Glycyrhethinate, Macadamia Ternifolia Seed Oil, Sodium PCA, Wheat Amino Acids, Panthenol, Trideceth-6, Symphytum Officinale Extract, Tocopheryl Acetate, Sodium Hyaluronate, Hydroxyproline.

#### DIRECTIONS:

##### BRIGHTENING CREAM

To even the appearance of dull skin, age spots or uneven pigmentation, apply twice daily, morning and night to a clean face. You may also use this on the neck and hands. Dab more on smaller areas of

concern for better penetration. When fading level has been achieved, apply morning and evening, twice weekly to maintain results.

#### Have you tried SISEL's other Anti-Aging Products?

**SISEL Ultra Intensive Wrinkle Lotion** will give your skin a tighter and firmer appearance while lessening the appearance of fine lines and wrinkles.
