Product Overview

Sisel Kaffé is a premium hot beverage that is arguably the best-tasting healthiest coffee in the world. Those who have experienced Sisel Kaffé agree that when it comes to coffee, no other brand matches it in aroma, flavor and health ingredients.

What's not to love about a delicious cup of coffee that you can make in a matter of seconds, especially the world's finest cup of coffee? Sisel Kaffé Black Instant uses ultrarich Premium Panama Boquete Gesha micro-ground coffee beans to ensure even our instant coffee is superior.

Our coffee beans are grown in a unique micro-climate on the slopes of an ancient Panamanian volcano. This enriching atmosphere produces sweet coffee beans, which combined with a rich blend of Chaga, Gotu Kola, Bacopa and organic Ganoderma extracts creates what Sisel believes is the healthiest, best tasting, and most beneficial coffee on the planet.
